Plaintiffs Boston Scientific Corp. and Target Therapeutics, Inc. respectfully request a one week extension to the deadline for submission of three-ring binders containing previously filed briefs as set forth in the September 20, 2007 Order Following Case Management Conference. This extension is necessary in light of the voluminous nature of the previously filed briefs and the schedules of the attorneys responsible for preparing the three-ring binders. This extension will not affect any other deadlines.

For the foregoing reasons, the parties respectfully request that, pursuant to this Stipulation, the Court extend the due date for submission of three-ring binders containing previously filed briefs by one week until October 2, 2007.
